

# Book Launch: Betrayal: The Failure of American Jewish Leadership by Charles Jacobs and Avi Goldwasser

*The Jewish Leadership Project presents “A devastating failure” of Jewish groups, leaders and donors, defending and protecting American Jews from AntiSemitism*

JERUSALEM, ISRAEL, May 23, 2023 /EINPresswire.com/ -- The highly anticipated book, [Betrayal: The Failure of American Jewish Leadership](#), curated and authored by [Charles Jacobs](#) and Avi Goldwasser of the [Jewish Leadership Project](#), officially launched on Sunday, May 21, at the Menachem Begin Heritage Center in Jerusalem.

This book is unique and long overdue. It is a thought-provoking work which analyzes and documents the failure of American Jewish leadership to effectively confront the ideological and physical onslaught besieging the community. The contributing writers describe and explain the failure of Jewish leaders to stop the ongoing defamation of Jews and Israel in the media, on college campuses, in high schools, and even Congress.

the safety of Jews.

Jacobs, Goldwasser, and a distinguished group of contributing authors — Alan Dershowitz, Mort

Klein, Caroline Glick, Richard Landes, Jonathan Tobin, and Thane Rosenbaum among them — persuasively demonstrate in this insightful 22-essay collection that American Jewish establishment leadership, which consists mostly of politicized bureaucrats, is operating on the basis of feel-good utopian notions disconnected from the real world. Betrayal loudly rings the alarm for a somnolent American Jewry. The Jewish community can ill afford to ignore the alarm.

Betrayal: The Failure of American Jewish Leadership is poised to be a catalyst for urgently needed changes. It is a must-read not only for those who care about the Jewish people's future, but also, crucially, for the donors who are instrumental in choosing community leaders.

The book, an expanded version of a collection originally published in White Rose Magazine, is now available for purchase at <https://amzn.to/41IEh2p>.
